

Super Phonics

2nd
Edition

Dynamically Designed Phonics Series

Fun Activity

Full-color
Workbook

Super Phonics is...

Super Phonics 2nd Edition is dynamically designed to enhance academic achievement. Students will learn basic Phonics rules and to use appropriate usage of vocabularies.

Neatly composed and based on spiral curriculum

Simply designed layouts and well organized teaching flow are perfect for young learners.

Perfectly made for EFL environment

Teach Phonics with Word Family and correct pronunciation to EFL students.

Thorough reading

Enlarge vocabulary to short sentences and to stories. Additional online reading materials are also provided for better communication skills.

Various fun activities

In 2nd Edition, activities are provided at the end of the Student Book to review vocabulary in a fun and various ways. (two activities per unit)

Provide exciting Phonics Song and Chant

Help to continue motivation in learning Phonics words and reading interesting stories by exciting Phonics Song and Chant.

Entertaining Hybrid CD

Hybrid CD is comprised of Sound, Word, Game, and Review. Hybrid CD makes it possible to bring the book to life. Audio is also available through the CD player.

Various additional online resources

Online resources such as, Flashcard, Cube Activity, Reading & Writing Practice, Sight Word Worksheet, and Unit Test lead to active participation in learning Phonics.

**Student Book
with Hybrid CDs(2)**

Student Book

- The target sounds and words are visualized for better understanding.

- Review the words learned previously through images.

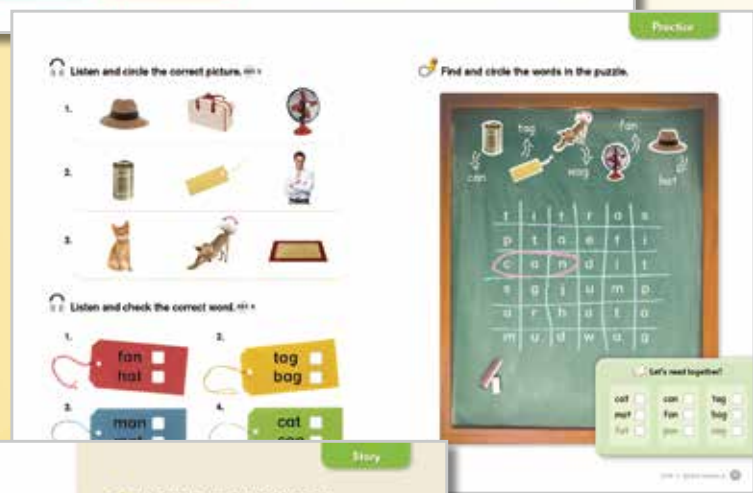

- Where only image and word are given in the problem, students are to repeat the practice for target sounds by listening.

- Learn the sounds and words with the pictures, and review them through exciting chant.

- Separate the words by each target sound, and complete the words by combining the letters.

- Review the words through diverse and enjoyable activities.

- Enhance reading skill through sentences with target words and sight words.

Activity Sheets

- Make my own Alphabet Book by coloring and putting stickers through Student Book 1.

Student Book 1, My Alphabet Book

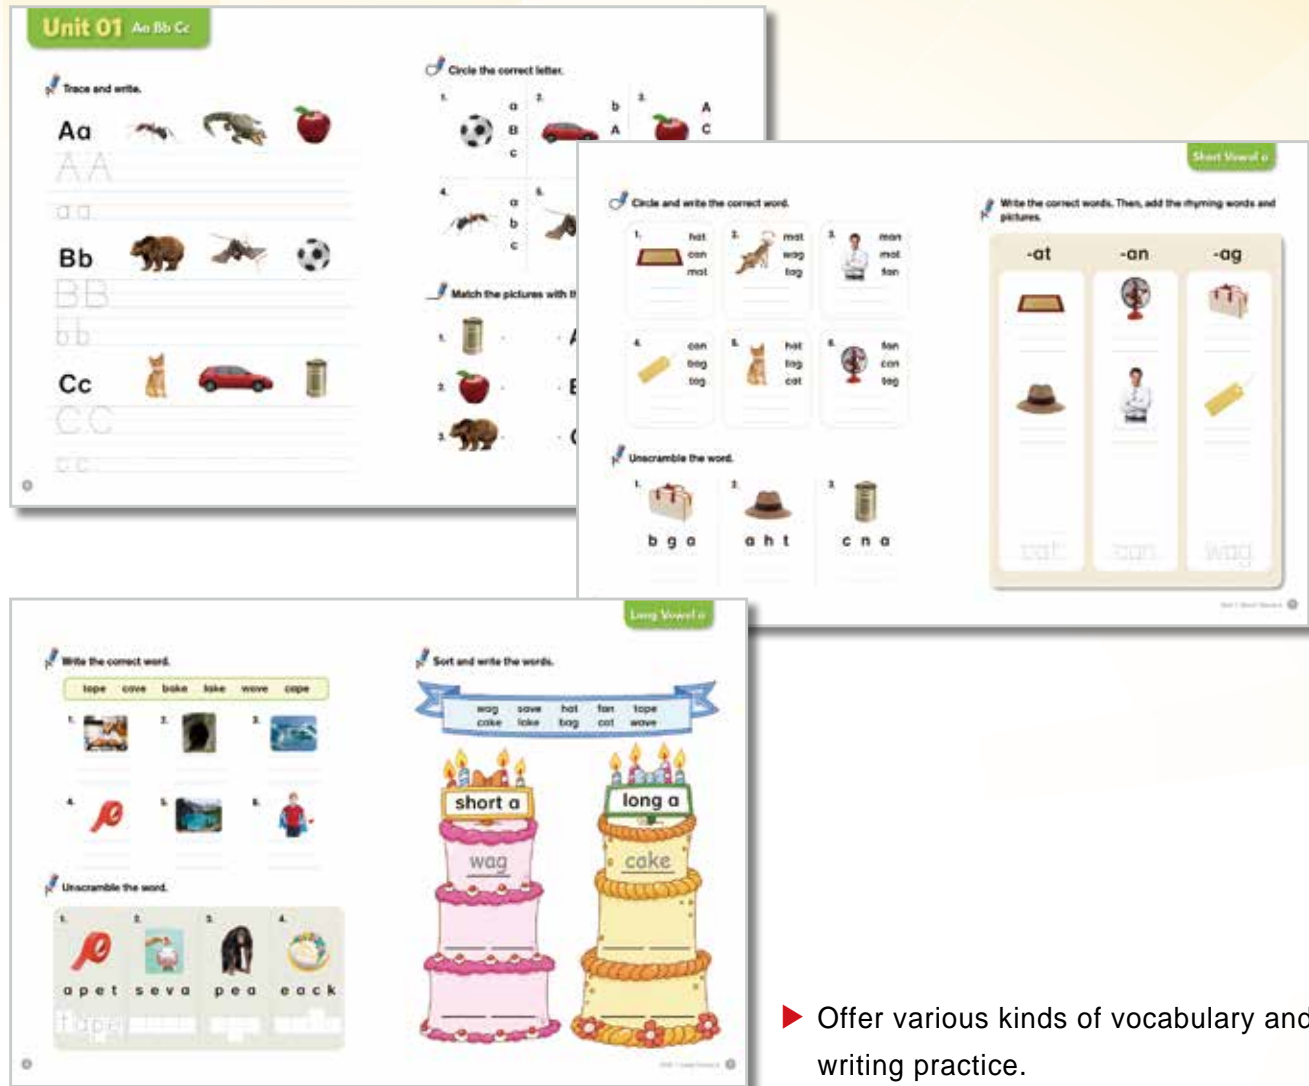

Student Book 2~5, Activity Sheets

- Two kinds of activities per unit are included in Student Book 2~5.
- Hidden Pictures, Dot to Dot, and more fun activities are provided along with Word Race and Word Search.
